1. I have asked [redacted] to continue to chair the DCI Tiger Team in order to review the follow-on studies to the Future SIGINT Capabilities Study (FSCS). The Tiger Team proved to be very useful in reviewing the Phase I report and the approach and report of Phase II. I expect their review of the the follow-on studies to be similarly useful. [redacted]

2. It is essential that there be broad Community involvement in the follow-on studies since there are many important issues to be addressed that will have long-term ramifications for the SIGINT system. The Tiger Team will provide a unique forum for the exchange of views that is essential to the satisfactory resolution of these issues. [redacted]
